THE CHAMPION ADVANTAGE

P&WC operators have relied on Champion exciters to deliver consistent performance and reliability in the most challenging conditions.

Now Champion offers an exciter Exchange/Upgrade Program for most P&WC powered helicopters.

- **Built-in back-up with dual-channel redundancy (not available with competitive exciters)**
- **Solid state components for reliability and long life**
- **Two-way interchangeability with 10-381550-4 (CH92106-5 only)**
- **3-year new parts warranty**
- **Two mounting positions to fit into limited areas (CH92106-5 only)**

Refer to chart on back for helicopter/engine application.
